“Matching skills with vacancies for the organisation of sustainable VET”

Working...

The Third Project Meeting under “Matching skills with vacancies for the organisation of sustainable VET” – S_vOS VET project took place on 23rd – 24th of September 2010 in Paris, France. Each partner in the project presented the key position in the leading sector in the country.

After that we discussed the surveys on the skills necessary for the identified positions and on the VET system concerning the 5 key positions (ways and means of conducting). All presentations and discussions were quite useful and interesting.

Having fun...

After the hard working day all partners were kindly invited by our hosts “Institut Supérieur D’Electronique de Paris - ISEP” to attend a celebration ceremony on IEEE 2010 “Milestone Edouard Branly”.

On the second day of the meeting we discussed the content of the project’s final document – the Methodology. The partners have also discussed the content of the web-site and the possible improvements and amendments
